Brianna Wright Memorial Scholarship Fund

Guidelines & Application

I. Objective of Scholarship Fund/Awards

The objective of the ASA Brianna Wright Memorial Scholarship Fund is to give chapters with limited financial resources, or chapters that have not yet committed funds to national meetings, an opportunity to send representatives to national meetings.

The aim of the program is for the representatives who are given scholarships to convey the value of national meetings and national participation to their chapters. Once this value is understood, it is hoped that the chapters will plan and budget on their own to attend as many national meetings as possible. The ultimate goal of the scholarship program is for all chapters to be represented at national meetings.

II. Fundraising

The scholarship is funded through donations made when individuals register for SUBExcel, Board of Directors, and other meetings. Per the direction of the ASA Board of Directors (June 2020), Additional fundraising is allowed for this program during ASA meetings.

III. Rules/Guidelines for Awarding Scholarship

1. A working group comprised of the chair and immediate past chair (or their designees) of the Executive Directors' Council, ASA Treasurer, and one ASA Board member to be recruited by ASA Staff or the ED Council Chair will evaluate the completed applications and award the scholarships. The decisions of the working group are final.
2. Applicants, or representatives from the applicant's chapter, may not be on the working group for the event for which they are applying.
3. Scholarship results must be announced to award recipients and to those who are declined no later than 30 days prior to the event.
4. Scholarships may be awarded up to the amount that is available in the fund.
5. Executive Directors are eligible to apply for scholarship funds to attend the SUBExcel.
6. Officers, or chapter-board recommended members, are eligible to apply for scholarship funds to attend SUBExcel
7. Scholarships will be awarded no more than two (2) times to any one individual within a 10-year period. - Full scholarships (registration, airfare and hotel) will be awarded to an Executive Director no more than one (1) time.

- Partial scholarships can be awarded to a recipient up to two (2) times if the individual has not received any full scholarships.

8. Prioritizing Applicants:

- 1) New executive directors

- 4) First time scholarship applicants

Applicants from chapters that score lower on their *Self-Evaluations* will be considered over applicants from chapters that score higher (This does not apply when the applicant is an ED who has never attended the event).

9. The requested balance statement will be used to help determine the financial need of the association. Applicants from chapters that are struggling financially will be considered over applicants from chapters that have a “healthy” financial statement. There is no pre-determined definition of “struggling” or “healthy”; that determination will be left to the working group. (This does not apply when the applicant is an ED who has never attended the event).
