

SUBExcel Shuttle Service

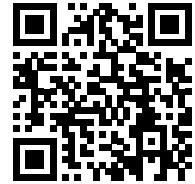

We would like to encourage all SUBExcel attendees to take advantage of group transportation available from local airports to the event hotel.

The more people that join, the larger the discount for each person.

HOW TO RESERVE YOUR SHUTTLE

- Have your flight information ready.
- Go to sanddollartransportation.com or scan the QR code.
- Enter your information.
- Select SUV - Click RESERVE NOW.
- Complete the form and provide credit card information to confirm.

IMPORTANT - In the notes/comments field, please list "American Subcontractors Association conference". Reserve BEFORE 5:00 PM March 4th to be grouped with other attendees.

Normal rates will show at time of booking, but do not worry about that for now. After March 4th, a manifest will be put together to group everyone for the best rates. Once the manifest is complete your rate will change based upon how many people book at that specific time and are grouped together. Sand Dollar Transportation will send out an updated invoice with the final price.
